Payment: Tuition is to be paid whether your child attends or not. NO REFUNDS FOR ANY REASON! A credit card must be on file as auto draft is a preferred payment method. For evening class students, tuition is drafted on the 1st or 15th of each month (depending on when you enrolled). If you choose to not do auto draft, a credit card must still be on file and tuition must be paid in cash or check by or on the due date so auto draft will not be processed. For afterschoolers/summer camp students, tuition is drafted on the Monday of the week. If you choose to not do auto draft, a credit card must still be on file and tuition must be paid in cash or check on the Friday before the week starts. You can pay weekly, biweekly, or monthly. Payments are due no later than Monday. A \$10 late fee will be added. In the event that you must withdraw from our program, you must notify us within two weeks. All automatic draft charges will stop after the two-week period from when we are notified. Our Afterschool Program ends at 6PM. There will be \$1 per minute charge after 6:10PM if you are late.

Please understand that there are more expenses associated with martial arts training other than tuition. Sparring gear and belt testing fees are requirements. These items must be bought through Superkicks only. No outside sparring gear, belts, uniforms, etc. allowed.

Shogun is not responsible for lost/stolen/broken items.

I hereby understand and agree to the terms of this agreement.
